## Tip for changing a note's start time

This useful feature is easily overlooked.

1. In the Staff or Percussion editor, select the menu View / Note Properties. A window will be displayed below the Staff editor that displays the properties for the currently selected note(s).
2. Move the mouse over the notehead of a note you want to drag.
3. Press the Ctrl key, press the left mouse button, and begin dragging the notehead.

4. A popup window will appear similar to this:
5. As soon as you release the mouse button, the note will be moved to this new location.
